Headteacher's Message

As we come to the end of such a strange term, may I offer my personal thanks for the support the school has received from parent, carers and students. Whether it be getting to grips with remote learning, managing online parent's evenings, home testing kits or new school arrangements we have been continually surprised by how quickly and easily students have adapted.

We have been so proud of how carefully and seriously they have taken the return to school, wearing masks without complaint, keeping to their bubbles areas and following the range of new rules designed to keep themselves and staff safe.

They have worked really hard to embody our newly implemented STAR behaviour expectations designed to enable them to pay attention well in class, and therefore learn better and make more progress.

In short, it has been a pleasure to have them back in the building!

We hope you all have a restful and relaxing Easter break.

Many thanks.

Mrs J Price

Attendance Cake

One of our key messages to students since our return is that their number one priority should be good attendance. We can only teach and support students who are present in school. Therefore, as an end of term treat students with an attendance of over 97% were given a cup cake to enjoy during their lunchbreak!

Headteacher's Awards

Headteacher's Awards are presented at the end of each term to students who have shown particular attainment, effort or progress in certain subjects. They receive a letter home and a badge to wear on their blazer with pride!
