

Half Term Work for PPE Prep – these are the most important things your teachers would like you to do to prepare for your upcoming PPE exams w/c

Ignore the subjects you don't study!

Don't feel you need to do additional revision on top of these tasks.

You should also be resting!

Maths

- Foundation : Complete Mathswatch tasks online
- Higher: Complete Mathswatch tasks online

English

- Macbeth: Complete a plan for a practice question (annotate 3 ideas in the extract and mind map 3 ideas from the rest of the text)
- A Christmas Carol: Complete a plan for a practice question (annotate 3 ideas in the extract and mind map 3 ideas from the rest of the text)
- Complete plan and write the opening for a question 5 for language paper 1

CONTACT MR HEWSON IF YOU ARE STUCK: hewsons@bishopperowne.co.uk

Music

- Complete Revision Maps for each Area of Study and the two set works. These were given to you in the revision pack at the end of term.
- Complete the 2 Listening questions in the revision pack (The YouTube clips for the music are included on the listening sheets)

Geography November Mock Exam – Paper 1 Our Natural World

- Pre-release 6 – 8 mark questions
- Revise key terms and create mini mind maps / plans (using your revision guide) for each of the following questions:

Global Hazards

CASE STUDY – A non-UK based natural weather hazard event

Discuss the place-specific causes of your chosen natural weather hazard event. (6)

Changing Climate

'Climate Change will lead to negative environmental impacts.' Discuss. (6)

Distinctive Landscapes

Explain how geomorphic processes have shaped your chosen coastal landscape. (6)

History

Please use the revision guide to revise . . .

Germany

- * opposition to Hitler p48, p54
- * Weimar Republic 1919-23 p35-37
- * how Germany became a dictatorship p42-46.

Health and the People

- * Hippocrates and Galen p110
- * public health in the 19th century p126-127
- * health in general for a 16 mark answer.

Think about your factors for the 16 mark answer and the areas/individuals that we commonly include in this answer.

You can do mind maps, bullet points, flash cards - whatever suits you!

Child Development

Child Development Students should complete the revision maps for LO1_Contraception and LO1_Pregnancy using their revision guides and Year 10 class books.

RE

- Create flashcards for all key terms on the Christianity and Islam exam papers
- Complete revision homework questions on Christianity and Islam (handed out in lesson)
- Refer to the help sheet for the PPE given to you in lesson, use the revision guide and the revision packs handed out in lesson to complete the revision tasks.

Psychology

Complete the knowledge recall questions for topics 2, 3 4 and 5 from the booklet. These are in the paper 1 knowledge recall booklet which has been provided in your lessons. Page numbers are given which match the pages in your topic booklets for support. Complete the knowledge sheets on the key studies from Topics 1-5 in your blue booklet.

French

- Mr Roger's group: Pages 200 and 201 of the revision guide - correctness, abbreviations and you and your family vocabulary revision.
- Mrs Windows-Yule's group: Students should continue to work on the Revision Guide Listening tasks, as per the sheet given in class.

German:

- pages 145 and 146 of the Revision Guide plus Highers only: pages 147 and 148 of the RG

GCSE Dance

- Read and highlight the fact files and transcript notes for the 4 set dance work.
- Complete past paper
- Materials will be given to you in class.

Drama

- Using your Blood Brothers revision guide to help; answer the following practice questions:
- Identify **two** moments in the performance text you have studied that have the potential to make a strong dramatic impact on the audience. Justify your response. **(4 Marks)**
- **Explain** how you would use your knowledge on the **social/historical/political context** of the play to stage one section of your choice. **(8 Marks)**

GCSE PE

we will be completing both exams in November. You will need to use your revision guides and revision booklet to prepare you for both exams. As a starting point for your revision re address the

key words from Year 9 and 10. Also complete the revision questions in your booklet on the areas that you have found most challenging. Remember all of the power points and revision guides are in your 'teams' to support your learning. I also have flash cards if you want to borrow them for the half term.

iMedia

- Research and Revise – Health and Safety; Copyright and Creative Commons
- Complete Practice Exam paper (will go through it in the first week back)
- Resources on Teams

DT

- Use the notes that you have made this term to help you answer the practice questions on p18 -21 in your revision guide. (You will find the answers at the end of your revision guide – use these to assess and correct your work)
- Ensure that you have completed all the required topics set for homework this term.
- Written Paper: your practice paper will consist of a multiple choice and longer answer sections. It will test your knowledge of the following areas:
 - electronic systems
 - designers/companies
 - environment /social issues
 - materials
 - computer tools
 - prototyping
 - energy
 - perspective drawing

Business

Students should complete the revision maps 1.1_Entrepreneurs, 1.2_Business Planning, 1.3_Business ownership and 1.4_Aims and Objectives using their revision guides and Year 10 class books.
