Barriers to future attainment (for pupils eligible for PP including high ability)

- A. Attendance rates for pupils eligible for PP are lower than those not eligible for PP.
- B. Literacy and numeracy skills for entering year 7 are lower for pupils eligible for PP than for other pupils.
- C. Pupils eligible for PP frequently show lower levels of resilience in relation to their learning.
- D. Behaviour issues for a small group of students in years 7 – 9 (majority eligible for PP) are having a detrimental effect on their academic progress and that of others

n.b: barriers are unchanged from 2018/18. Following continued analysis these remain the biggest barriers that our cohorts of disadvantaged students bring to secondary school.

Areas of Priority for disadvantaged students

Area of priority

Methods of measuring impact

A. Improving the quality and consistency of quality first teaching for disadvantaged students, leading to improved levels of resilience and engagement from student eligible for pp.	Drop in records for staff and departments, both internal and externally moderated. Book scrutiny data, including quality of feedback and student response. Student voice – growth mindsets.
B. Improving attainment and achievement in the extended core subjects	GCSE: Percentage of students achieving grades 5-9 in English and maths. GCSE: Progress 8 Measures with specific focus on: a. Core Subjects (English, Math, Science, Humanities) b. Middle and Low ability GCSE: Attainment 8 Measure Years 7-10: Percentage of students making at least expected progress.
C. Improving the behaviour of a small minority of disadvantaged students.	Sanctions rates for disadvantaged students when compared to ‘other’ students and national benchmarks. Reward rates for disadvantaged students when compared to ‘other’ students FTE rates and PX rates for disadvantaged students when compared to ‘other’ students and national benchmarks
D. Increasing the attendance rates for pupils eligible for PP	Attendance rates for disadvantaged students when compared to ‘other’ students and national benchmarks. Persistent absence rates for disadvantaged students when compared to ‘other’ students and national benchmarks.
E. Improving the literacy and numeracy levels for pupils eligible for PP	Percentages of students eligible for PP reading at or above their chronological age compared to percentages for ‘other’ students. Percentages of students eligible for PP reaching numeracy expectations appropriate to their chronological age compared to ‘other’ students.
