Tuesday 2nd November 2021

Dear Parent/Carer,

Year Ten assessments, 15th - 26th November 2021

Between Monday 15th and Friday 26th November, students in Year Ten will be completing Autumn term assessments in all of their subjects. The assessments for English, Mathematics and Science will take place in the Sports Hall, with the whole year group sitting the assessment together at the same time. These are the conditions in which students will sit their GCSEs in Year Eleven. It is therefore important for students to practise working in these conditions as frequently as possible. The dates for these assessments are as follows:

Subject	Date	Time
English Literature	Monday 22 nd November	8:30-10:00am
Science	Thursday 25 th November	11:00am-12:15pm
Mathematics	Friday 26 th November	8:30-10:00am

Assessments for all other subjects will take place in students' normal timetabled lessons and classrooms. During lessons in the next two weeks, students will be advised of the content and format of the assessments as well as be guided in how to revise effectively. The results of these assessments will form one of the pieces of evidence which will be used to complete students' end of term reports.

If you have any questions or concerns regarding these assessments, please do get in touch with me using the details below.

Yours sincerely

Mr J Manship
Assistant Headteacher
